

Nova Associates

Nova associate is the web application design to sell house plans for customers, who want to build houses but failing to have a nice plan for they're houses. This web application it's when it gets in because in this Nova Associates web app, you can look for your dream house plan if you cannot find your dream house plan then you can email us so you can describe your plan to us and we will make it for you. Nova Associate can manage the online payment and can do more.

Team who developed Nova Associate and handle the functions:

Philani Syabonga Vundla: Front End Developer

Mncedisi Mthembu :Back End Developer

I will be focusing more on me (Mncedisi Mthembu), I was doing backend development, handling all functionalities including MySQL(Database) of Nova Associate web app. I believe that we did a great job for this web app lot of people or loved.

Resource used for Nova Associate Web App are:

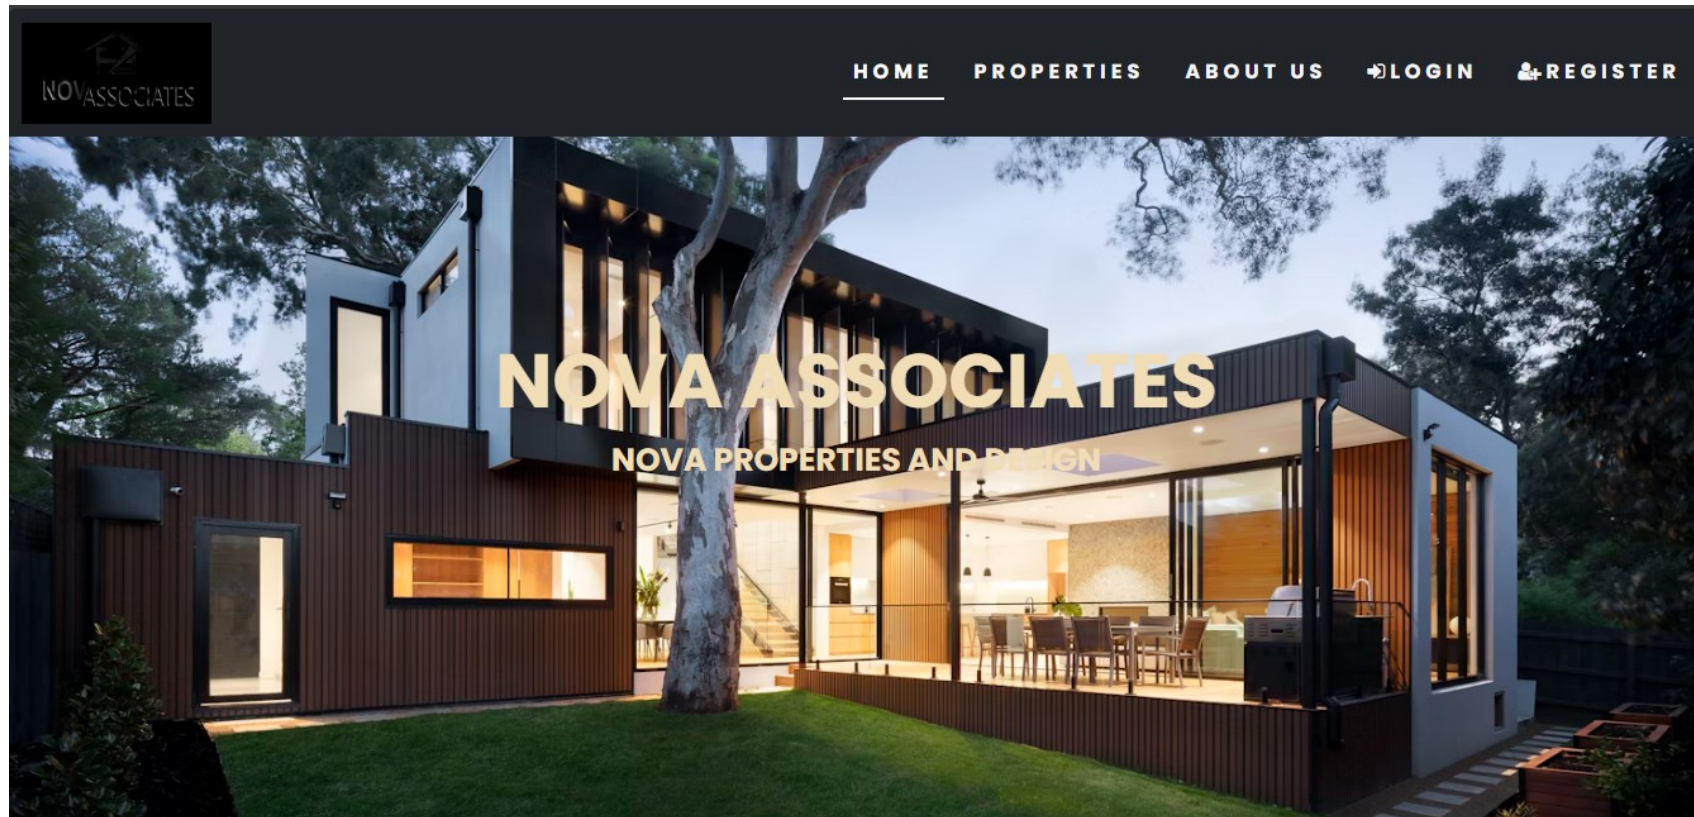

We used :> PHP, JavaScript, MySQL, HTML (Home Page), CSS, Bootstrap

Server:>Apache

Open Source Software:> XAMPP Control Panel

Login page

The image shows a login page overlay on a background image of a modern house at night. The house has a corrugated metal roof and large windows that are illuminated from within, showing some interior furniture. The background image is watermarked with 'Unsplash+' in a repeating pattern. The login form is a white rectangular box with rounded corners, centered on the screen. It contains the title 'Login' in a bold, black font. Below the title are two input fields: the first for an email address, which contains 'mncedisimthembu27@gmail.com', and the second for a password, which is masked with eight dots. Below these fields are two links: 'Remember me' with an unchecked checkbox, and 'Forgot password?' in blue text. At the bottom of the form is a black button with the word 'Login' in white. Below the button is a link 'Don't have an account? Sign up' in blue text.

Forgot Password page

A white modal form titled "Reset Password" is centered over a background image of a modern house at night. The form contains three input fields with icons: an envelope for email, a lock for the new password, and another lock for the confirm password. A dark button labeled "Reset Password" is at the bottom of the form. The background image shows a house with large windows and a balcony, with trees in the background.
